

## Retirement Community

### Worry-Free Living

One of the best benefits of retirement living in the apartments and cottages is the worry-free maintenance of the home—no more lawn mowing, yard work, or snow shoveling. Any needed repairs are taken care of by our maintenance staff and they are available around the clock.

### Services Include:

- 24-Hour emergency and security system;
  - Emergency call system, which contacts Snyder Village nursing staff for emergency medical support
  - Around the clock emergency maintenance service
- Total building maintenance, from the roof down
- Furnace, air conditioner, hot water heater, and appliance maintenance
- Preventive maintenance, i.e. furnace filters changed, smoke/carbon monoxide detectors checked, emergency call systems checked, etc.
- Annual window washing, inside and outside
- Snow and ice cleared from sidewalks, drives, roadways and parking lots
- Landscape and lawn care
- Pest control
- Weekly garbage and recycling pick-up
- Major property and liability insurance
- Electric power generator back-up system in the SV Center
- Health Support Nurse – consultation
- Organized monthly activity schedule, with Snyder Village bus service for campus and offsite transportation
