SNYDER VILLAGE RESIDENT COUNCIL MEETING MINUTES
MARCH 13, 2024

President, Ken Lewis called the meeting to order. Opened the meeting with a morning prayer and the pledge of allegiance.

ANNOUNCEMENTS

COUNCIL PRESIDENT'S REPORT

My thanks to Joan Gerjets for chairing our February 14 meeting.

The Robins have returned and as the weather continues to transition from winter to spring there is much work to be done by our maintenance staff, so we should not forget to thank them for all that they do in maintaining our beautiful facility.

This is also a time to remember how an act of philanthropy in 1982 continues to impact each of our lives at Snyder Village and for which we are thankful. Snyder Village opened its doors in 1988 because of a generous benefactor, Bertha I. Snyder who died October 20, 1982. At the time of her death, she left \$2 million dollars to fulfill a need in the Metamora Community that she identified "to go toward good local medical and health services as a way to encourage more doctors to practice in the community". A portion of this gift was used to establish the medical facility at 901 Walnut which has a large plaque in the waiting room acknowledging the benefactors, Bertha, and Simeon Snyder. Another recipient of the funds was Snyder Village which opened its doors in 1988 and celebrated its 35-year anniversary last year on August 8.

Many thanks to all of you who continue to help make a difference in the mission of Snyder Village with your gifts of time and treasure.

The next meeting will be held on Wednesday, April 10, at 9am.

APPROVAL of February 14, 2023, Council Meeting Minutes

Staff will begin spring preventive maintenance during the first week of April.

A member of our team will be contacting you to schedule. Air conditioners, pull cords, and smoke detectors will be checked, and dryer vents will be cleared.

As reported last fall, a company will be on campus this spring to pressure wash half of the retirement cottages. Cottages not pressure washed this season will be done in 2025. The company will be hooking up to the cottage outside faucets. If you go over your minimum water usage for the month your cottage is cleaned, please contact me to discuss. Once the pressure washing is done for the year, we will have a professional window washing company on campus to clean windows. To make this as cost effective as possible, maintenance will inform you when the company will be in your area of campus and your windows will be done during that block of time. No appointments will be scheduled. More info to follow.

We will be having our annual Retirement Community safety meeting immediately following the April 10 council meeting.

To call in a work order request, please contact the RC Maintenance Shop by calling (309) 366-4108, or the HC Maintenance Shop by calling (309) 366-4150.

Pancake and Sausage Supper Benefit

Our Pancake and Sausage Supper will be held on Saturday April 27, from 5-7pm in the SV Center. The "all-you-can-eat" supper will consist of pancakes, sausage links, applesauce, and your choice of beverage. The cost is \$8 per person (ages 4 and under are free). Bitner's Meats, in Eureka, will provide sausage for purchase, and it can be either fully cooked or vacuum-packed and fresh frozen in 1-lb packages. Watch the April Scoop for all the Pancake and Sausage Supper info. If you would like to help with the Pancake and Sausage Supper Benefit, contact Ashley Thompson, Snyder Village Volunteer Coordinator, by calling (309) 366-4135 or sign up by going to www.snydervillage.com/fundraising-events.

2024 Annual Snyder Village "Tee It Up" Golf Outing

As a reminder, the 2024 Annual Snyder Village "Tee It Up" Golf Outing will be held on Friday, June 14, at Metamora Fields Golf Club. If you would like to volunteer for the Golf Outing, contact Ashley Thompson by calling (309) 366-4135. If you want more information about the Golf Outing or would like us to mail a Golf Outing brochure to a friend or family member, please contact Mike Lane by calling (309) 366-4116.

2024 Benefit Online Auction

The 2024 Snyder Village Benefit Online Auction bidding will start on September 7, and end at noon on September 21. The Benefit Online Auction website will open on September 2, for bidders to view auction items. Watch upcoming issues of The Snyder Scoop for more information about the Benefit. Save the Date Cards for the Summer Events will be mailed to previous participants in April. We again would like each of the Retirement Community Council areas to consider making a themed basket for Benefit. Last year's response was wonderful, and the baskets were a real plus for the Auction and to the net totals! Please remember that items for the baskets need to be new and unused. Talk with your neighborhood areas and plan to put together a basket! The basket theme is chosen by your neighborhood, but keep in mind what might be a good selling theme!

The Village Market will be held on Saturday, September 14, from 9am to 2pm, at Kirby Foods in Metamora on the west side of their parking lot next to the car wash.

We will need baked goods, candies, and all sorts of non-refrigerated goodies along with small hand-made items for the Village Market. The popular "Lucky Ducks" will be back too, and gift certificates are needed for it. We will also have Pork Chop sandwiches again this year and are always looking for good additions to this great part of our Benefit. The Kirby Foods Gift Card Raffle will be held again in 2024. Tickets will be available at the Golf Outing, at the Snyder Village Tent at Old Settlers Days, on the Benefit Online Auction website as soon as it is opened at the Village Market and in person on various Saturdays at Kirby Foods through noon in September 23. Watch for more information The Snyder Scoop and on posters on campus bulletin boards for in person ticket sales locations.

All proceeds from the Summer Events support the Snyder Village Resident In Need Fund.

If you're thinking about going to assisted living, get your name on the waiting list. If you are ill and go into the hospital, let them know that you live at Snyder Village and can get rehab there when you are released.

Visitor Comments

Gordy asked when the window washers would be coming. Mike said residents will be informed the day before.

Shirley Egli wanted to know if the window washers would be cleaning on a Sunday. Mike said no, they would not. Those were volunteer groups last year that came on a Sunday.

Respectfully submitted:
