ANNOUNCEMENTS

RESIDENT COUNCIL MEMBER'S REPORT

The Ice Cream Social & Auction Preview held on Thursday, September 5 is over and many thanks to the staff and volunteers who helped make it another success. There is still more to happen this busy month of September – the Benefit Online Auction that began on Saturday, September 7 and will end on Saturday the 21; and of course there is the Village Market on Saturday, September 14 at Kirby Foods in Metamora with homemade delicious fruit pies, baked goods, and the tasty pork chop lunch for purchase.

I heard that there might be a special class the first week of October on healthy eating.

For those of you who remember Mitch Miller and his Sing-Along Sunday TV show in the early 60's, you are invited to join Bob Mann and his wife, Carolyn, along with Joe Richard and Bruce for their second Sing-Along this Sunday at 5:30 at the SV Center. There were 18 of us at their premier performance on Sunday, September 1st.

Thought for the Day

What you do helps make a difference and each of us must decide what kind of difference we want to make.

Shared there will be a campus update from the Executive Director in each month's Scoop. Updates from other divisions on campus (Health Center, Assisted Living, and Home Care) will be provided each month at the RC Resident Council meeting.

RC residents will receive a special invitation this fall. Janelle and Pastor Chris will be inviting RC residents in small groups to learn more about each resident. It will be an opportunity to provide feedback and ask questions about living at Snyder Village. Fall treats will be provided.

Mike Brownfield

I wanted to let you all know of a situation that happened this week on campus. Three individuals from Vista Energy were going door to door trying to get folks to switch from Ameren's electrical service to their own. The individuals reported they had permission from the office to visit the campus and they were only here to help folks save money. Snyder Village has a strict no solicitation policy and would never allow a company permission to be on campus to try to sell or upgrade any services they may offer. Anytime you see individuals on campus that do not look like they belong here, please call Julie's office or the Maintenance shop and we will investigate why the person is on campus. Never share any personal information or past bills or invoices with someone you do not know.

In October, we will begin the winter preventative maintenance at your cottage. Staff will be reaching out to you in late September to schedule.

Quick reminder, when you need to call in a work order request, please call the RC Maintenance shop at (309) 366-4108 or the HC Maintenance shop at (309) 366-4150.

Visitor Comments

Jodi commented this is the first month she's noticed two events going on at the same time that require a bus for transportation. How did this happen and will it be a regular occurrence? Adrianna Tuszynski acknowledged the issue and reported that it wasn't intentional and apologized for the mistake.

Betty Minor wondered if there's a schedule for dead tree removal. Mike Brownfield shared that it's on the schedule for this Fall.

Paul Elliot asked if we are no longer having BINGO, why is it on the calendar? Adrianna Tuszynski apologized for not removing BINGO from the calendar.

Respectfully submitted:
Robyn Pannier, Secretary
